

## Alan "Stan" Stanley Friedman

January 25, 1943 - February 24, 2024

Alan Stanley Friedman, aged 81, was born on January 25, 1943, in Victoria, Texas. He was the son of Joseph and Henrietta Friedman. During his time at the University of Texas, Alan was a proud member of the Tau Delta Fraternity, earning the affectionate nickname "Friedo." He graduated with a Bachelor's Degree in Political Science.

Stan embarked on a career as a Systems Analyst with the Federal Government after completing his studies. Fate intervened one evening when he was introduced to his brother's girlfriend's sister, Marsha. Their connection blossomed, leading to marriage. Together, they welcomed twin sons and later a third son into their family.

Stan was deeply involved in the Jewish Community of Dallas. He worked at the Jewish Federation and served on several local Congregation Boards. His passion for Jewish education and study was evident, and he took great pride in sharing his knowledge with others.

However, Stan's most meaningful role was as a Funeral Director serving the Dallas Jewish Community. His dedication and compassion were unwavering.

Stan's beloved wife, Marsha, passed away in January of this year. Their enduring love spanned 56 years. He followed her shortly thereafter, leaving

behind cherished memories and a legacy of service.

He is preceded in death by his beloved wife, Marsha, cherished son, Mark Friedman; brothers, David “Chippo” Friedman, and Michael Friedman; cherished sister-in-law, Nikki Bennett.

He is survived by his sons, Joel Friedman (and wife Kellyn) and Jeff Friedman (and wife Tammy). His grandchildren—Blake, Sarah, Brett, and Brooke — brought him immense joy. Great-grandchildren Mia Jade Friedman and Josie Mae Barrett added another layer of love to his life. He also leaves behind a niece and nephew.
