“ *Dear Steve and Family,
It is with great sadness that I am writing this condolence message after reading of Andi's passing. She fought a valiant battle and will leave the world a better place because she was here. Her sparkling personality and love for life brightened your day if she was around. I will miss seeing her on the golf course as will so many of the other. Please know that you are in our thoughts and prayers, both Joe and I have "walked this path" and know how difficult it is. Accept the love and comfort of family and friends and try to find peace in the memories you all share of such a awe inspiring, beautiful woman.
Sincerely,
Roberta S Fleischmann*
