“ I just got the news about Dru. He helped me so much over the years, and I am so sorry and shocked to know he is gone. one story I remember is he gave me a tour of uour sinogoge as we waited to upgrade my Mac. I pray for his family to receive blessings and comfort from the merciful Lord. He took his experience with the Lord brry seriously. Love to all of you. Karen Glasco

“ He was my families tech guru. He always had time to come over and work on our apple products. He was kind and had great jokes. Every one in my family will miss him greatly.

“ Last year Ava and Dru drove their RV down to Houston. We met at the best Jewish Deli in town, Kenny and Ziggy's. This was our first time meeting Dru, although it felt like we had known him for years! Ava was so happy. So glad we got to meet Dru. May his memory be a blessing .

“ Drew was the kindest, most loving and funny man. He was an amazing husband, he was a godly man. May his spirit live in forever in Joyfulness and peace. Until we meet again. Shalom

“ He stayed at my Mother's home with Ava and Jacob during the time of my Dad's passing. Drew as I knew him was an excellent story teller! I enjoyed listening to him on the porch as we shared some time together with family and friends. His love for Ava was so sweet and noticeable as he doted after her. I'm grateful to have known him. May he travel on in peace and love.

“ 1976.. living in Norman Ok, we worked together at Dillard's. He rode his Honda motorcycle all winter long, wearing an insulated orange hunters suit. His hair and mustache were the same color!! 😊 He made me spaghetti with tuna fish! May you be at peace, dear friend!
