

## Betty Herskowitz Roth

July 28, 1935 - October 17, 2023

Betty Roth was born in Cleveland, Ohio on July 28, 1935. She was the daughter of Adolph and Rose (Katz) Herskowitz, and their first girl after they already had three sons.

In 1957, Betty married the love of her life, Irv Roth. Betty and Irv were married for 58 years. They had three children together: Bryan, Melinda and Brad. Betty was immensely proud of her children and grandchildren: Matthew, Daniel, Connor, Ethan, Ellie and Abby. She was thrilled to be able to dance at Daniel's wedding to Nitzan Bar-Shalom and then again at Matthew's wedding to Irene Park. Family was everything to Betty. While she was always a great and amazing grandmother, this year she officially became a great grandmother when Shia Roth was born in Israel.

She eventually learned to play and love golf, often playing with Irv every weekend. She loved playing mah jong with her friends. Temple Shalom was a special place for her, and eventually she decided that she would become a b'nai mitzvot at the age of 69. She was an active member of Sisterhood, loved her havurah and volunteered when she was younger at the gift shop. Betty loved so many people, and everyone who knew her loved her.

Betty is predeceased by her husband, Irv; her three older brothers Edward, Gerald and Robert. She is survived by her three children Bryan (Renee

Morris), Melinda and Brad; her eight grandchildren Matthew (Irene Park), Daniel (Nitzan Bar-Shalom), Connor, Ethan, Eleanor and Abigail. The family suggests that memorial may be made to Temple Shalom Sisterhood.

“ *Dear Betty - oh what fun we had each time we would all get together at work (University of Texas - Dallas) and after we all went our separate ways and kept in touch with our Lotto group. You were always such a dear, sweet friend to me and oh how we could talk and talk for hours and LAUGH!!! I will always remember those wonderful times. You mattered to me. Tell Irv hello for me....I love you Betty and will miss you dearly.*
