There are no words to express the depth of our loss. His heart, soul, strength and light will shine through his beautiful children and bonds of friendship he forged. He left us many gifts of humor and laughter which will sustain us. He loved nothing more than the sound of his children laughing together, especially if he was the source of this laughter. This man could laugh at himself like no other.

He loved and cherished his friends, extended family and fencing family. All of you helped to sustain and keep him here as long as he was. His family is so very thankful.

The family would also like to thank the ICU-E staff of Memorial Hermann Southwest Hospital for their efforts and care. The family would like to acknowledge Sonia Guzman of Houston, Texas, for her loving care of the Weiss family over the past twenty-three years.

In lieu of flowers, memorial donations may be made in the name of Daniel Weiss to USA Fencing, (<https://www.usafencing.org/donate>)
