“ Our heartfelt condolences to Ed's family and friends. As a fellow attorney, I've known Ed for 20 years. Our relationship really blossomed the past few years as he took my son, Owen Fell, under his wings. Owen was a top 10 finalist in the 10 Under 20 competition at the guitar festival and proudly played his EKlein guitar that Ed had made for him. Ed was as proud of him as my wife and I were. Owen was thrilled to hang out with Ed at the Dallas International Guitar Show this year. What a kind and generous man. He will be greatly missed. Our prayers are with his family and friends.

“ This is the worst thing ever. What a great guy. Knowledgeable, legally and musically. Quick to help, as well as, making some exceptional guitars. I can't believe this has happened. Deepest condolences to his family and friends. Rest easy, brother.
