“ *Dear Sharon, I don't know if you remember me but I worked for you at L&T. I first worked for your sister Fran. I've been thinking about her so much lately and have been googling to see if I could find out about her and today I found this page. I learned so much from Fran & Marc too. When I was in high school, I used to pop by Isadora Altman everyday on my way home from school asking if they needed help. They didn't but I kept coming by and asking & I think they finally gave up and hired me so I wouldn't keep coming by and asking.*

I learned so much from Fran - customer service being the most important thing. I remember your father & mother coming to the store and the stories she told me of their survival. I wanted so much to reconnect with Fran and to talk with her - which is why I was googling and trying to find her - I'm so sorry I didn't have that chance. Fran had such an impact on my life and am blessed to of had the opportunity to know & work for her. Sending you my very best & heartfelt condolences. I hope you are doing well. Suzanne
