“ Dear Tracy and family- You had a wonderful, loving dad. What I really liked about him (besides being kind, a great family man, and just all around good man) was his smile. His smile was just joyful whether it was just his slight, all-knowing smile or his light up his face smile. I hope you hold onto that and your own personal memories of him. He was truly a man who lived a good life. All my thoughts and prayers are with you. I am so sorry for your loss.
