“ Dear Applebaum family, I am not sure if you will receive this. I am just now finding that both Hy and Trudy passed away within a month of each other in the summer of 2022. My parents, Herb and Cathy Stern, were their friends and were living in Austin, having moved here from Houston in 2014. I believe my mother met Trudy in a memoir writing class at the Houston JCC; my mother was teaching the class. They became good friends. Hy and my dad got along quite well. In later years, Hy would send my dad some sermons that he had presented as an informal Jewish leader in Dallas. I did meet Trudy once many years ago and remember her fondly. I would like to reach family members to let them know that my parents both just passed away - Herb in May of 2023, and Cathy in August 2023. If possible, please contact me at:

My late condolences,
Nancy
