

## Harry Krull

December 23, 1952 - January 12, 2018

Harry Joseph Krull recently succumbed to heart failure unexpectedly in Portland, Oregon. He was born in Gatesville, Texas on December 23, 1952 to Mayme Feldt Krull and Reuben Krull. He was a twin brother to Charles (Charlie/Chuck) and brother to older sister, Marla. Harry was always a fun-loving, carefree spirit. In the early 1970's, he and three of his childhood best friends moved from Houston to Oregon. He always called Oregon "G-D'S Country" and planted himself there, finally calling Portland home. He was a welder by trade and was proud to have helped build many of Oregon's bridges. He truly loved sports and played on an adult baseball league until a back injury forced him to enjoy the game from the sidelines or television. He was also an avid football fan and a huge fan of game shows with "The Price Is Right" and "Jeopardy" being his two favorites. Harry was predeceased by both parents, twin brother, Charlie and special uncle, Sam Feldt and aunt, Sara Feldt. Harry is survived by his sister, Marla Krull Radoff (Hank) and very special cousins and friends. Donations may be made in his memory to Temple Emanu El 1500 Sunset Blvd. Houston, Texas 77005 or [emanuelhouston.org](http://emanuelhouston.org)
