“ Jack and I worked together for many years at Verizon! He was our best Restaurant Sales Rep ever! Thanks for sharing this! I've been wondering how he was doing as we used to text all the time! Warmest Memories!

“ This post is in remembrance of a life-long Republican, Grand Prairie citizen, and Grand Prairie Republican Club Officer, Jack M. Wolfson. Jack was a founding member of the Grand Prairie Republican Club before it became an officially formed social club. His most recent role included serving three terms as Club Treasurer from March 2019 until his passing. He served as both Precinct Chair and Precinct Judge and could be found at Zavala Elementary School during elections.

Jack loved the Republican party, discussing politics, meeting candidates, and working elections. He knew every candidate and shared whenever there was a need for more poll workers. During any conversation, in person or by text, he always included a personal update on daily life. He shared about residing in Grand Prairie, mowing his lawn, serving as a poll worker, going to medical appointments, and about a good meal he was about to have or had recently enjoyed! His text messages were full of emojis to expound on his activities.

Fellow members of the Grand Prairie Republican Club will miss him and his great stories, sense of humor, and photographs. We wish to express our deepest sympathy to his family.

I'm going to rain on your parade about Jack's virtues-big time! As his twin brother I knew him far better than any of you and the reasons why I terminated any communication with him 57 years ago! He was a liar and a cheat. He got kicked out of the University of Debeque for cheating. Our parents threw up their hands over his many travesties. Our sister also wrote him off for chiseling her out of \$2,000. He ripped off her husband in insurance fraud and bragged about it. He was very cruel. He poured turpentine into our female springer spaniel eyes putting her in agony. He got into trouble for cheating with me the IRS. In short he was an asshole. Good riddens. Incidentally I weigh 100 lbs less than he did and my health is excellent. I live in Helensville, NZ.
