“ *Sending my sincere condolences to Jay's family. My name is Cindy Nelson and I am best friends with Jenifer Deacon. During my time at Oceanside High School, I hung around with Robert and his friends, Jay included of course! Jay was always one of those people who I thought always had his head on straight and was always pleasant to be around! I was very sorry to hear about his health issues last year. Rest in peace Jay...you will be missed by many <3*
