

## Jonathan Uzick

February 7, 1990 - March 1, 2017

Jonathan Evan Uzick, 27, passed away unexpectedly on Wednesday morning March 1, 2017. He was born in Houston, Texas on February 7, 1990. He was the beloved son of Marcy and Randy Uzick, the younger brother of Robert, the twin brother of Robyn and the brother in law of Zac Hoffer. Jonathan also leaves behind his grandparents Ralph and Alice Berkman and Max and Rae Uzick. He was predeceased by his grandmothers Jean Berkman and Jean Uzick.

Jonathan came into the world with a smile on his face which became his trademark for the rest of his life. He was a kind, generous soul who would give you the shirt off of his back. He lit up the whole room with his larger than life personality, sense of humor, and quick wit. Jonathan had a special bond with his siblings; the three of them always had each other's back. He was passionate about his family and friends.

Jonathan graduated from Bellaire High School in 2008 and attended Texas State University and The University of Houston. He was most recently employed by The Ginger Man in Rice Village. Jonathan was always willing to take on any task or responsibility. He enjoyed working with and meeting new people. While Jonathan never knew a stranger, he was content with his family and friends.

Jonathan was an entrepreneur from an early age. He had several business

ventures while still in elementary school, most of which resulted in his having extra dessert at lunch. He continued with his talent for sales for the rest of his life. Jonathan loved being outdoors, hunting and fishing. He enjoyed many Thanksgiving holidays snowboarding in Utah with his family, aunts, uncles, and cousins. He also spent summers at Echo Hill Ranch where he made many lifelong friends.

Jonathan was a shining light to so many people. He left us far too soon and will be deeply missed. May he rest in peace.
