“ I shared Joe's love of food. And I was so proud to introduce him and Susan to Torcy's Tacos. Sadly, not long after I moved back to my home state of MN, Torchy's came to Frisco. Boy did Joe let me know...he made sure Susan texted me every time they went to eat there. Every. Time. 😭. You were a wonderful neighbor and friend. Thank you for having me in your life and community. You're missed. RIP. ❤️

Joe was a kind and thoughtful person. We always enjoyed being in his company. He always made us feel loved, and part of the family. I remember having a conversation with Joe about coffee. He suggested that "I try Seattle coffee." He went a step further and took a few out of his carry on bag and gave them to me. A person with a generous heart does that kind of deed. I think of you Joe every morning with my coffee. You will be missed by Steven and myself. Love, Susan and Steven Zigelman
