“ *Maxine was part of our lives for the past 15 years and we loved her deeply. We were her neighbors and we enjoyed visiting with Maxine and Larry about all kinds of things... their amazing dogs, jazz music, sewing, cooking. She would have my girls try on or give opinions of clothing she was making to gift her granddaughters consenting would fit right. My girls loved her dearly as well. PLEASE if there is a family member that reads this, if there is anything I can do to help here in Dallas, let me know. We adored Maxine, she was really something special.*

“ *I am deeply saddened by Maxine's passing. Would like to understand the circumstances. I know I and many others will miss Maxine as she was the best friend you could ever have. She was an angel.*
