“ I do not know how to express my sorrow for your loss other than this: Rachel came into my life just when I need her. Her sunny personality showed me I didn't have to so reserved, so quiet. She showed me how much more fun life is with a smile on your face and laughter jn your voice. We lost touch for the silly reasons that high school girls do and I am so sorry for this. I want you to know I am thankful for her and the friendship she gave me.
