She loved spending time with her daughter, Kimberly and took excellent care of her. She enjoyed her weekly mahjongg games, lunches with friends, cross-word puzzles, reading, and connecting with family and friends both in and out of town. From a young age,

Robyn, enjoyed going to concerts of her favorite musicians; The Beatles, Celine Dion, Elton John, Cher and her all-time favorite, The Rolling Stones.

Robyn and Sion worked side by side at Brisket BBQ since it opened in 1983. She enjoyed talking to customers and visiting with the employees who she considered family. In later years, Robyn would frequent the restaurant to have lunch and say hello to the diners. Over the years, Robyn enjoyed traveling with her husband and family to visit family and friends for special occasions and going on cruises. She enjoyed looking forward to the next planned trip. Her most recent cruise was The Disney Cruise with their two oldest grandchildren, Andrew and Alexa.
