“ Sam was a close friend. I am shocked at his passing so soon. If anyone recalls his last few months please reach out. Did Sam have any children? My memory is so bad I can't recall. Please feel free to contact me at your convenience. Maybe he mentioned me I'm Steve victory I lived in University Park in Dallas not too far from Sam at one time. My memory got so bad these past 4 or 5 years that I had lost touch with Sam and now I'm so sorry I did. Please don't hesitate to reach out I'd love to hear about Sam's last days. Rest in peace my dear friend won't be long till we'll see you again. Peace out
