

Sheldon Gerald Fleschman

January 26, 1934 - October 30, 2025

With heavy hearts, we announce the passing of Sheldon Gerald Fleschman on October 30th at age 91. A devoted husband, father, and grandfather, Sheldon was loved by all who knew him and his kindness and compassion were appreciated by so many.

Sheldon was born on January 26, 1934 in Kansas City, Missouri to Isadore and Jennie Fleschman. Growing up, family was very important to him, including his two older brothers and a large circle of cousins, aunts, and uncles. He loved spending afternoons at the movie theater which developed into a lifelong love of movies, television and musicals.

Sheldon worked very hard in his studies and was the first in his family to graduate from college. After receiving his business degree from Washington University in St. Louis, he served three years in the armed forces near Paris, France. Back in Kansas City, he started his career as an accountant. Before long, his brother Danny played matchmaker and introduced him to Jackie and they married in 1967. Together they raised their three daughters in Overland Park, Kansas. Sheldon worked as an accountant for Lady Baltimore Foods for 25 years. He was a lifetime member of Beth Shalom Congregation and was very involved in the Couples Club. You could also find Sheldon in the kitchen making his world famous pies and beet borscht.

In 2005, Sheldon and Jackie moved to Plano, Texas to be closer to their beloved grandchildren. Sheldon immediately began volunteering for Plano Presbyterian Hospital (Texas Health) and continued for the next 20 years, proudly serving over thousands of hours. He loved his “job” at the hospital, where he got to greet and visit with so many people.

Sheldon is survived by his wife Jackie, daughters Marianne (Jeff) Price, Mollye Fleschman, and Ilene (Britt) Baumel, and grandchildren Jaden, Sawyer, and Sydney Baumel, and Hailey Price.

In lieu of flowers, the family asks that donations be made to the charity of your choosing.

“ Sheldon's mother and my mother were first cousins. When my family moved to Kansas City, we made contact with his mother, Cousin Jenny and kept in contact with Sheldon and Jackie throughout the years. They are the nicest people to meet. May his memory be for a blessing. Baruch Dayan HaEmet. Ettie Kushner Litke

“ Sheldon always had a smile on his face. He was such a nice man. We were fellow aquarians as his birthday was one day before mine. He will be missed by all who knew him. You all can be proud to call him your husband, father, and grandfather. Bonnie Rubinstein
